

Learn Massage Client Intake

Please take a moment to fill out this important questionnaire. Having this filled out ahead of time will help to make the most of your session time.

What are the areas you would like to learn about? (Keep in mind who you will be working on and their trouble spots. If you aren't sure, we can work on common trouble areas.) Please pick up to three. We can always learn more in another session.

_____ Scalp

_____ Legs

_____ Neck

_____ Arms

_____ Shoulders

_____ Hands

_____ Upper Back

_____ Feet

_____ Lower Back

_____ Chest

_____ Glutes

Using the list above, are there any areas you do not want to be worked on for the comfort of either you or your partner?

Who do you have in mind to work on? (this could be a significant other, an aging parent, a child, etc...)

Will either you or your partner need extra accommodations such as extra pillows, help on and off the table, etc...? Please list.

Learn Massage Client Intake

Waiver / Hold Harmless

I understand that I am learning massage techniques from a licensed massage therapist. I understand that I am not training to become a licensed massage therapist, and that I will not market myself as being able to do massage professionally. I will not take payment for massage or bodywork in any form unless I become licensed through the state of North Carolina.

I also understand that I am not able to teach others these massage techniques as an approved provider through the National Certification Board in Therapeutic Massage and Bodywork.

I understand this class is not a continuing education course to renew a license through the Board of Massage and Bodywork Therapy in North Carolina or any other state.

I will not hold Cary Massage or Angela Bright LMBT #13017 liable for misuse of techniques learned in this class leading to injury.

By signing this document you agree to all the above statements. This document shall be in effect indefinitely.
